

CLUB UPDATE – 13 SEPTEMBER 2011

CLUB NEWS

No Smoking In The Club

We have noticed the smell of cigarette smoke in the handicap toilet located opposite the lift at B1. We would like to remind members that smoking is prohibited by law in all public toilets, which includes the handicap toilet. Smoking is also prohibited in all air-conditioned areas, the poolside and the car park. We appreciate your co-operation to maintain a pleasant environment for all members.
