

CLUB UPDATE – 1 OCTOBER 2011

CLUB NEWS

Being Considerate Lets All Members Enjoy The Club

Little things go a long way to make your experience more enjoyable at the Club. The following are some examples:

- We know our sofas are comfortable, but please do not lie down or put your feet up on them;
- We welcome your kids at the Club, but please do not allow them to run around or shout in the Club premises;
- Please return all newspapers neatly after reading so the next member can read them easily.

We appreciate your co-operation to maintain a pleasant environment for all members.
