

CLUB UPDATE – 8 AUGUST 2011

CLUB NEWS

Maids & Helpers To Be Signed In As Guests

Please sign in your maid or helper as a guest if she is using the facilities (eg the swimming pool or shower room). Thank you for your co-operation.

Please Do Not Adjust The Air-Conditioning

The air-conditioning in the Club has been set at the optimal temperature of between 20 to 24 degrees Celsius. Please do not adjust it to below 20 degrees Celsius as it will cause the thermostat to freeze up and cause the air-conditioner to break down. Thank you for your co-operation.

No Outside Food & Drinks On Club Premises

Please do not bring or consume food and drinks not purchased from the Club's F&B outlets in the Club premises. This includes the Member's Lounge, Karaoke Rooms, Mahjong & Card Rooms, Play Room and Poolside. Thank you for your co-operation.
