BIRTH OF A LEGEND

Being part of The Legends Fort Canning Park – one of the newest town clubs – Legends Garden dishes out authentic Cantonese cuisine and is open to the public. Set amidst Fort Canning Hill, it exudes colonial charm while providing fine dining comfort in a modern and stylish setting.

Master Chef, Mr. Fok Yun from Hong Kong, brings with him years of culinary experience and has unique and signature specialities that may just satisfy your succulent desires. Dim sum such as 'Steamed Dumpling with Ling Zhi and Preserved Vegetables', 'Pan Fried Yam Cake with Chinese Sausage' and 'Deep Fried Beancurd with Crispy Mashed Prawns and XO Sauce' are all hand-made in-house – as fresh and tasty as they get.

There is a wide variety from the à la carte menu too. Choose from roasted duck, roasted suckling pig or roasted honey glazed pork, or the 'Fried Sea Perch with Salted Pepper' with its crispy outer skin and tender, mouth-watering flesh.

To top off your hearty meal, typical favourites from the desserts section are available but do ask for the Chef's Speciality that may not be on the menu. As with the other Chef's Specialities, expect surprisingly imaginative use of ingredients and treat your taste buds to a memorable journey.

Authenticity and reasonable pricing are some of the restaurant's strong points. There are also seven private function rooms of varying sizes available for family or corporate bookings to accommodate one to eight tables. Legends Garden holds special promotions each month so do check with the restaurant while making your reservations.

Legends Garden is at:

The Legends Fort Canning Park

11 Canning Walk, Singapore 178881
