Dear Member

RENOVATION UPDATE

After almost 2 long years of restoring the grand conservation building, we are happy to inform you that the Club renovations are about to be completed.

The boutique hotel facility (Hotel Fort Canning) is expected to open in October. Whether it be for work, or for family and friends from overseas, or just for that much-needed weekend "staycation", Hotel Fort Canning will offer you the unique experience of a "super boutique" – the quiriness and personal service touches that epitomize boutique hotels, and the array of F&B outlets and recreational facilities only found in a premier club. The Legends Fort Canning will be a Club that you can be proud of.

October will also see the completion of the Gym and Spa at Level 1 of the Glass Block. The Gym, equipped with the latest TechnoGym equipment, will be managed by fitness professionals from Dynaforce, and will take advantage of our location in the park for indoor-outdoor programmes. The spa by THANN Sanctuary will offer members treatments to rejuvenate and revive, for relaxation and respite.

The Locker Rooms, Members' Lounge, Karaoke Rooms, Card Rooms and Playroom on Level B1, and the Swimming Pools will also be completed in October. Of special interest to members will be the completely refurbished and re-landscaped swimming pools filled with mineral water and treated with a state-of-the-art filtration system that will minimize the use of chlorine – no more dry skin and hair, or allergies caused by chlorine.

Over at The Glass Block, The Glass House on Level 1 - a Contemporary Asian Bistro and Bar helmed by Chef Ivan Lim, and The Living Room – a quiet lounge spot set up high in the treetops, Jasmine 1 & 2 (multi-purpose rooms for parties, dinners, members' events etc), and Sun Deck on Level 2 will be open in December. Hence, by December 2010, all the Club facilities will be open and the renovation completed.

We are really excited about the opening and would like to take this opportunity to thank all members who have been so patient and encouraging during this renovation period. We look forward to welcoming you back to a brand new Club soon.

Until the opening, we will continue to update members regularly. Please do not hesitate to contact us should you have any enquiries.

Best wishes,
